

FUMBLE FUNNY

Q: Why is a football stadium the coolest place to be?

A: Because it's full of fans.

Q: Why was the tiny ghost asked to join the football team?

A: They needed a little team spirit.

Q: What did the receiver say to the football?

A: Catch you later!

Did you know...

The shape of a football is best described as a "prolate spheroid." The unique shape of the football allows the ball to be thrown long distances in a tight spiral or bounce unpredictably on the field.
